BUILDING THE BEST AWARDS - FEBRUARY 1, 2013

ANNOUNCING THIS YEAR'S WINNERS!

"The test of the artist does not lie in the will with which he goes to work,
but in the excellence of the work he produces." --**Thomas Aquinas**

The Building the Best Awards Ceremony is a long standing tradition in the Canadian Home Builders Association that is designed to showcase and celebrate the companies who have risen above the bar and delivered outstanding quality and workmanship in every aspect of their business. It is also one of the best ways for consumers to see the magnitude of professionalism, quality and craftsmanship that all of our members bring to the Home Building Industry; from the designers right down to the smallest finishing detail. The celebration on Friday was full of anticipation for the award finalists and you could hear the cheers throughout the entire hotel as the winners were announced. Make sure to go to: www.chbaethbridge.com to see all the pictures!
